ACADEMY TENNIS

Our Academy level programs encompass intermediate to advanced players ages 10-18 who have a strong work ethic, and a goal of participating in tournaments. Players will learn proper grips, strokes, scoring, point construction, foot work, positioning, & match play. All players should have a positive attitude & desire to learn. The sessions aim to strengthen a player both mentally and physically by continually testing a player's will. Many of the Academy's challenges take players out of their comfort zones, with each session providing an opportunity to adapt & improve, ultimately enabling players to realize their personal best. This level of sacrifice & effort will have a positive impact on the player's future in competitive tennis & life. Player's will be broken up by skill level.
