*After each clinic and lesson coaches wipe down and disinfect baskets and ball hoppers. Please remember to use proper hand sanitation upon entering/exiting the facility.

If a player is uncomfortable collecting or touching the tennis balls please let the coach or tennis coordinator know prior to their reservation so they can create drills that accommodate the player.

Coaches will have their own dedicated cart for teaching, coaches will avoid close proximity feedback and maintain 6' distance.

Please arrive no more than 5 minutes prior to a reservation, please do not stay and congregate before or after your reservation, if you must, please do this outside of the facility.
