

# JUNIOR PICKLEBALL ACADEMY

ages 9-13+

The Junior Pickleball Academy is for kids ages 9-13+ to learn & compete in Pickleball – the fastest growing sport in the country!

Our Academy focuses on fun & fundamentals through a series of skill progressions. We coach by skill level in addition to age and grade. We will focus on being able to play competitive and strategic games. Equipment is provided! As our Junior Program develops, we will seek to offer inter-club competition & create Tournaments for our competitive New England area players. At the same time, we are working on the development of pickleball clubs in area middle & high schools, which may eventually lead to interscholastic competition.
