QUICK SUMMARY OF SAFETY PROTOCOLS FOR POOL ACTIVITIES

You must make a reservation for free swim and lap swim prior to coming to the pool. Free swim registration will be broken up into 2 hour blocks starting at 10:30 AM, with 30 minutes in between for sanitization. Free swim capacity will be determined once the state releases its pool guidelines. Lap Lane reservations will be broken up into 1 hour blocks starting at 5:00 AM, with 15 minutes in between for sanitization. Max of 1 person per lane for Lap Lane Reservations. For information on how to make a reservation, please visit the "How to make a Reservation" tab under the swimming drop down menu

No Guests allowed. All swimmers must be current club members.

New Pool Entrance – All patrons of the pool must enter at the side gate. We will have a dedicated check in desk for the pool located there.

Locker room access will be reserved for bathroom use only. Changing rooms will be reserved for emergency use only.

Families and patrons using the pool/pool area must maintain 6' distance both in and out of the pool

Please arrive no more than 5 minutes prior to a reservation, please do not stay and congregate before or after your reservation, if you must, please do this outside of the facility.

Pool will be closed periodically throughout the day for sanitation of chairs and pool equipment.

Lessons/Classes: Instructors and coaches will be responsible for retrieving all equipment required for their respective classes. At the end of the classes they will also be responsible for sanitizing and storing the equipment properly. All classes and lessons will be taught from on deck in order to maintain with social distancing guidelines.

SWIMMER SAFETY DETAILED PROTOCOLS

BEFORE YOU SWIM

- Do not swim if any of you:
 - Are exhibiting any symptoms of the coronavirus: mild to severe respiratory illness with fever, cough and difficulty breathing, or other symptoms identified by the CDC.
 - Have been in contact with someone with COVID-19 in the last 14 days.

PREPARING TO SWIM

- All patrons Check-in at the pool gate upon arrival. For lap swim this is when you will receive your lane assignment.
 - Come to the pool wearing your bathing suits. Space for changing will be limited.
- Please bring your own water. Additional beverages and food will be available through the snack shack
 - If you need to sneeze or cough, do so into a tissue or upper sleeve.
- We ask that you arrive no more than 5 minutes prior to your scheduled reservation.

WHILE YOU SWIM

- Maintain proper social distancing. Please stay 6' apart from other pool patrons
- Chairs will be placed in groups 6'-12' apart. Please do not congregate with other swimmers/groups other than your group.
 - Pool equipment will remain reserved for lap swim use only.
 - Avoid sharing food, drinks or towels.

AFTER SWIMMING

- Leave the gated pool area as soon as reasonably possible through the marked exit door.
 - Do not use the locker room or changing areas, shower at home.
- No extra-curricular or social activity should take place, no congregation after playing inside the facility.
- All patrons should leave the facility immediately at the end of their reservation.
