JUNIOR DEVELOPMENT TENNIS FOR AGES 4-16+

All our programs encompass players at all ages from complete beginners to an intermediate level. Classes are designed to introduce tennis in a fun way, instilling a lifelong love of the game. We will cover all the fundamentals necessary to develop the skills needed to enjoy the lifetime sport of tennis! Teamwork and life skills -- integrity, determination & dedication; introduction to Positive Youth Development -- character, competence, confidence, & connection are a huge component. The Jump Start, Red, Orange & Green Dot Ball programs use a play format consisting of courts & nets scaled to the size & ability of young children along with low compression balls that bounce lower & slower than a regular tennis ball.
