Our Grades 3-5 basketball program is designed for coed basketball players who have graduated from beginner concepts of the game. This program is excellent for players who are ready to compete at the middle school level. Our professional coaches will focus on beginner to intermediate ways to score, shoot, pass and dribble.

- Players will be taught how to play the game at a faster pace, emphasizing the key aspects of their basketball knowledge.
- HOW, WHEN, and WHY concepts will be taught. For example, when it applies to defense, players will learn how, when, and why to play defense.
